

# ISRV

International Society for  
Respiratory Viruses

## Mini- School Objectives

Provide scientific  
context to help  
ECRs engage fully  
with the Options  
XIII conference  
programme

Facilitate  
networking  
between ECRs  
and leading  
influenza  
researchers

Build a global  
peer network  
of ECRs

Equip  
participants with  
practical skills for  
navigating and  
contributing to  
international  
scientific  
meetings

Encourage  
continued  
engagement  
with the ISRV  
scientific  
community
